(c) whether it is also a fact that certain recommendations have been made by National Advisory Council in this regard; and

(d) if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI M.V. RAJASEKHARAN): (a) and (b) Infrastructure development in the country is looked after by both Public and Private Sectors. Decisions regarding involvement of Private Sector are taken by the concerned administrative Ministries handling infrastructure sectors, such as, roads, ports, railways, power, telecommunications, civil aviation, etc. Infrastructure development and private sector investment therein are an on-going process involving policy changes and institutional reforms. The progress in creating conditions for private participation in different sectors is at various stages. A Committee on Infrastructure has been set up under the Chairmanship of the Prime Minister "with the objectives of (i) initiating policies that ensure time-bound creation of world class infrastructure delivering services matching international standards; (ii) developing structures that maximize the role of public-private partnerships in the field of infrastructure; and (iii) monitoring progress of key infrastructure projects to ensure that established targets are realized."

(c) No, Sir.

(d) Does not arise.
